Executive Summary

History of the Wisconsin Supplier Diversity Program

The Wisconsin Supplier Diversity Program was created in 1983 by Wisconsin Act 390. It set a goal for State Agencies and University of Wisconsin System Campuses to purchase 5% of goods and services from certified minority-owned business enterprises (MBEs). The Act also established a permissive 5% bid preference for certified MBE firms responding to bids for State contracts.

In 2010, Wisconsin Act 299 was enacted and provided that a portion of State contracts were to be with service-disabled veteran-owned businesses (DVBs) certified by the State of Wisconsin. It also provided a permissive 5% bid preference to such firms. In 2014, 2013 Wisconsin Act 192 specified that 1% of State contracts should be with certified DVBs.

Fiscal Year 2022 Highlights

Diverse suppliers accounted for \$206,134,063 of \$3,485,034,478 State Agency and University of Wisconsin System spending in general procurement, facilities construction, architecture/engineering, and state highway services during FY22. **Diverse supplier purchases represented 5.91% of total spending.**

FY22 highlights included:

- The DOA Division of Facilities Development (DFD) spent \$408,420,205 on various state construction projects in FY22. Certified MBEs accounted for \$8,336,675 of total expenditures and certified DVBs accounted for \$6,232,796 for a total of \$14,569,471, 3.57% of all spend.
- DFD spent \$81,551,445 on architectural/engineering services in FY22. Certified MBEs accounted for \$5,447,341 and DVBs accounted for \$395,916 for a total of \$5,843,257, 7.17% of total spend.

Statutory Authority

Annual Reporting Requirement

Wis. Stats. §16.75 (3m)(c)4 requires the Department of Administration (DOA) to annually report enterprise-wide participation by certified MBEs and DVBs on State contracts to the Governor and the Legislature for distribution to the appropriate Committees. Per §16.75(3m)(c)3., the report includes the total amount paid to certified MBEs and DVBs, the percentage of total expenditures awarded to certified MBEs and DVBs, and the State's progress towards meeting its diverse spend goals outlined in §16.75 (3m)(b)1 and 2.

Total expenditures reported in the Wisconsin Supplier Diversity Annual Report include both Direct Diverse Spend and Indirect Diverse Spend with certified MBEs and DVBs. Direct Diverse Spend is also called First (1st) Tier Diverse Spend. First (1st) Tier Diverse Spend are amounts paid directly to certified MBEs and DVBs.

Second (2nd) Tier Diverse Spend is Diverse Spend paid indirectly to certified MBEs and DVBs. Second (2nd) Tier Diverse Spend is paid directly to a nondiverse supplier or prime contractor who pays a portion of the award to a certified MBE or DVB subcontractor. Only the portion of spend the nondiverse supplier or prime contractor pays to certified MBEs or DVBs is considered to be 2nd Tier Diverse Spend, not the entire amount paid to the prime contractor. See Appendix 1 – FY22 1st Tier and 2nd Tier MBE and DVB Diverse Spend.

State of Wisconsin Diverse Business Goals

Wis. Stat. §16.75(3m)(b)1 provides that DOA and any state agency making purchases “shall attempt to ensure that 5% of the total amount expended under this subchapter in each fiscal year is paid to minority businesses.” MBEs are certified by DOA under §16.287.

Wis. Stats. §16.75(3m)(b)2 provides that DOA and any state agency making purchases “shall attempt to ensure that at least 1% of the total amount expended under this subchapter in each fiscal year is paid to disabled veteran-owned businesses.” DVBs are certified by DOA under §16.283.

DOA monitors these goals and undertakes the certification process through the Wisconsin Supplier Diversity Program in the Division of Enterprise Operations.

Exceptions

The 5% expenditure goals apply to all State purchases except for expenditures under the Department of Transportation Federal Surface Transportation Assistance Act and Department of Natural Resources (DNR) Environmental Protection Agency (EPA) funds.

The Supplier Diversity Program offers certification for women-owned business enterprises (WBEs); however, statutes do not provide a goal or price preference for WBEs participating in state purchasing.

Business Bid Preference

Under Wis. Stat. §16.75(3m)(b)3, agencies “may purchase materials, supplies, equipment, and contractual services from any minority-owned business or disabled veteran-owned business, or a business that is both a minority-owned business and a disabled veteran-owned business, submitting a qualified, responsible, competitive bid that is no more than 5% than the apparent low bid or competitive proposal that is no more than 5% than the most advantageous proposal.” The statute further provides that agencies “shall maximize the use of minority businesses or disabled veteran-owned businesses which are incorporated under Chap. 180 or which have their principal place of business in this state.” The permissive 5% low-bid preferences are applicable to all state purchases except printing and stationery.

Certification Program

DOA certifies minority-owned and service-disabled veteran-owned business enterprises through processes governed by Wis. Stat. §16.287(2) and §16.283(3) and Administrative Code Chapters Adm 84 and Adm 82. An application is submitted by the business and a review is conducted by the Wisconsin Supplier Diversity Program to ensure compliance with state statutes and administrative code. In 2022, 731 firms were certified MBEs (including some domiciled outside of the State of Wisconsin), and 55 firms were certified DVBS.¹ The Program also had 646 WBEs for a total of 1,432 diverse certifications.

In 2012, Executive Order #72 required DOA to waive certification application requirements from other state, federal or local agencies, or private businesses if their certification procedures are “substantially equivalent” to those of the State of Wisconsin. To streamline certification and reduce duplication, DOA entered into a Memorandum of Understanding (MOU) with the Wisconsin DOT Office of Business Opportunity and Equity Compliance and other entities in the Unified Certification Program (UCP) in 2013. Through it, the Wisconsin Supplier Diversity Program grants certification to firms that meet State of Wisconsin certification eligibility requirements using their UCP certification.

FY22 Results by Major Contracting Area

Four major areas of state purchasing contribute to the State’s supplier diverse spend goals. The areas, responsible agencies, and relevant statutes are:

- **General Procurement:** All Agencies and UW System Campuses, §16.75(3m)
- **Engineering and Architectural Services:** DOA DFD, §16.87(2)
- **Building Construction Services:** DOA DFD, §16.855(10m)
- **State Highways Construction:** Wisconsin DOT, §84.075

The following summarizes spend by major state contracting areas during FY22:

Program	Total Spend	Diverse Spend	%
General Purchasing (Agencies and UW)	\$2,501,508,040	\$156,650,107	6.26%
DOA DFD Construction	\$408,420,205	\$14,569,471	3.57%

	\$3,485,034,478	\$206,084,063	5.91%

General Procurement

State statutes and administrative code govern purchasing activities conducted by agencies and campuses. The DOA State Bureau of Procurement (SBOP) oversees administration of all state procurement and sets policies and procedures to carry out procurement activities. In general, state laws and policies require competitive bidding as the preferred procurement method of contracting. Contracts are awarded to the lowest responsible bidder.

Certified MBEs and DVBs compete for state contracts on the same basis as all other vendors. However, state agencies may make awards to a certified MBE or DVB “submitting the lowest qualified responsible competitive bid when the bid is not more than 5% higher than the apparent low bid or competitive proposal that is no more than 5% higher than the most advantageous proposal.”²

State agencies and campuses purchased general goods and services totaling \$2,501,508,040 in FY22. Of this amount, spend with diverse businesses totaled \$156,650,107.³

Note: general procurement activity includes both direct purchases from certified MBEs/DVBs and second-tier certified MBE/DVB participation on contracts awarded to non-MBE vendors.

² §16.75(3m) (b) (3), Wis. Stats.

State Building Program: Construction Projects and Architectural/Engineering Service

DFD provides oversight of the State Building Program. Its services consist of new construction and building renovation for all agencies, including the University of Wisconsin System. In addition to construction-related services, it serves as staff to the State Building Commission. It is through these major activities that DFD provides opportunities to minority and disabled veteran-owned business to participate in state contracts for construction, engineering, and architectural services.

DFD has an integrated and proactive approach in its business practices to ensure there are many opportunities for diverse suppliers. DFD may also award a contract to a certified MBE or DVB submitting the lowest qualified bid on contracts when that qualified bid is not more than 5% higher than the apparent low bid, a statutory price preference.

Twenty firms, 18 MBEs and 2 DVBs, were involved in construction projects undertaken by DFD. FY22 construction expenditures totaled \$408,420,205 and included MBE/DVB spend of \$14,569,471, a participation rate of 3.57%.

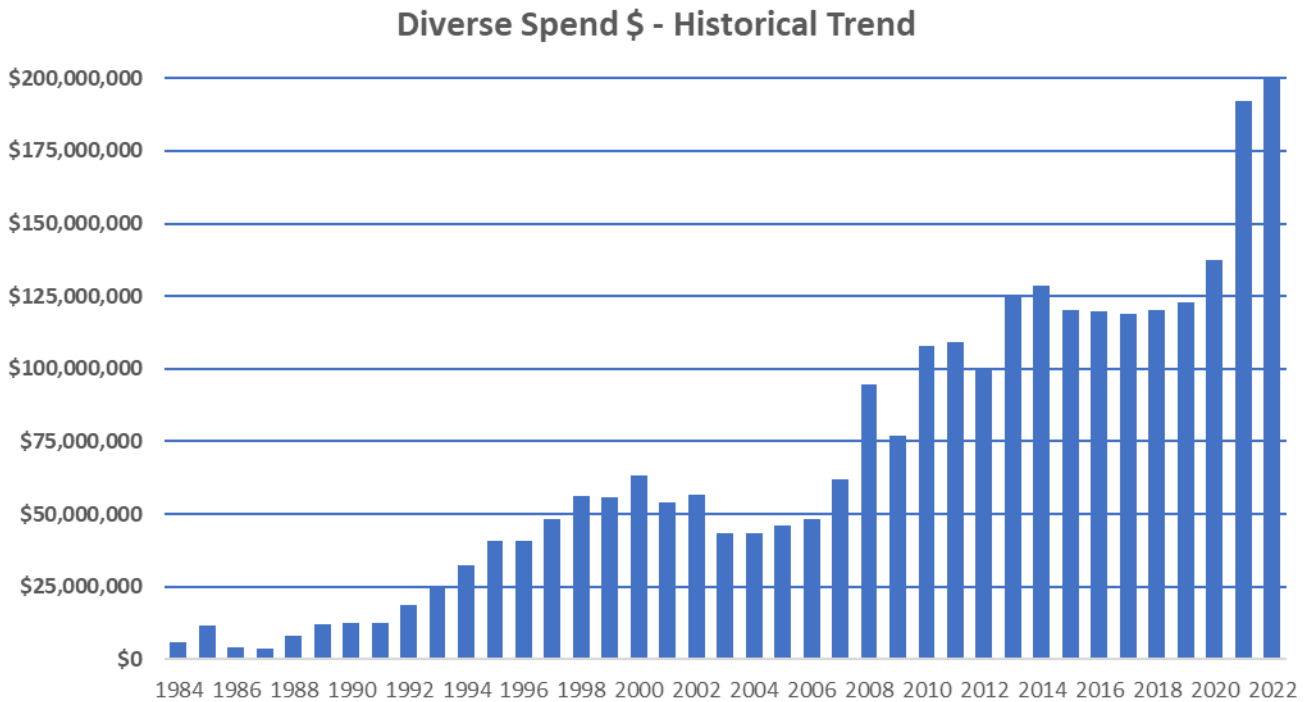

Fourteen diverse firms, 11 MBEs and 3 DVBs, provided consulting services to various architectural and engineering projects. Their participation was \$5,843,257 of the \$81,551,445 expended in FY22, or 7.17%.

DOT Spend: State Trunk Highways, Roads, and Bridge Building

Wisconsin DOT spent \$493,554,788 in FY22 on road and bridge building in the State Highway Construction Program. Diverse firm participation totaled \$29,071,227, or 5.89% of FY22 spending.

Attachment 1 – SWIB

September 23, 2022

Secretary Kathy Blumenfeld
Department of Administration
101 East Wilson Street, 10th Floor
Madison, WI 53703

Secretary Blumenfeld:

Section 25.185, Stats. requires that the State of Wisconsin Investment Board (SWIB) attempt to ensure that 5 percent of the funds expended each fiscal year (FY) for financial and investment analysis and for common stock and convertible bond brokerage commissions are spent for services of minority financial advisers or minority investment firms. This statute also requires SWIB to report annually to the Department of Administration the total amount expended for these services.

In attempting to meet the 5 percent goal, SWIB must still meet its fiduciary responsibility, as set forth in Section 25.15(2), Stats., to manage the assets of each trust fund solely to fulfill the purpose of the trust at a reasonable cost and with care, skill, prudence and diligence. SWIB's trading staff must balance various trading objectives including trading with brokers that can provide the best execution of trades. While meeting its fiduciary duty and working to meet the 5 percent goal, SWIB used the following minority brokers for stock transactions in FY 2022 and paid the commissions noted:

CastleOak Securities, L.P.	\$ 194,296
Penserra Securities, LLC	9,061
Cabrera Capital Markets, LLC	537
Total	\$ 203,894

As shown below, of the total discretionary commissions paid, minority brokers received 4.9 percent:

Total Commissions	\$ 10,387,436
Less: Non-Discretionary Commissions	(6,251,622)
Total Discretionary Commissions	\$ 4,135,814

Percent Paid to Minority Firms 4.9%

Non-discretionary commissions include those that must be directed to a specific broker for specialized and specific trading services such as futures and options, international trades and program trades that are executed on electronic systems. Participating minority brokers typically do not have international trading desks to handle international transactions and instead direct international trading to partner firms abroad. As a result, the total commissions eligible for direction to minority brokers include only domestic security brokerage transactions. Non-discretionary commissions in FY 2022 included \$3.9 million of international trading commissions. Commissions directed by SWIB's external managers to whom it grants discretionary investment authority are excluded completely from the calculations above.

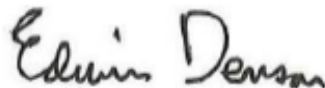

In addition to trading commissions, SWIB paid \$9,900 to Loop Capital Markets, LLC for research services in FY 2022 and utilized Siebert Williams Shank & Co. for fixed income trading.

Additionally, SWIB must report trading commissions paid to disabled veteran-owned financial advisers and investment firms that have a majority of their operations in Wisconsin. Section 25.185 (2)(b), Stats. states that the board shall attempt to ensure that at least 1 percent of the total funds expended for financial and investment analysis and for common stock and convertible bond brokerage commissions in each fiscal year is expended for the services of disabled veteran-owned financial advisers or disabled veteran-owned investment firms. The Wisconsin Department of Administration certifies Wisconsin disabled veteran-owned financial advisers and investment firms' eligibility per the requirements of Section 16.283, Stats. No such firms have been certified and no commissions were paid to Wisconsin disabled veteran-owned financial advisers or investment firms in FY 2022.

SWIB seeks to use only top performing brokers to meet its fiduciary obligation to obtain the best execution of its stock trades. To meet this objective, the performance of each broker, including minority and disabled veteran-owned firms, is continually evaluated. SWIB will continue to review the performance of its existing minority brokers and will make changes as needed to ensure best trade execution. Within these requirements, we have and will continue to make a reasonable and good faith effort to use minority firms.

Please feel free to contact me if you have any questions.

Sincerely,

**Re: Fiscal Year 2021-22 Underwriting and Other Participation
Certified Minority-Owned and
Disabled Veteran-Owned Investment Firms**

To Whom It May Concern:

During the 2021-22 fiscal year, the Capital Finance Office assisted the State of Wisconsin Building Commission (**Building Commission**) in the contracting and issuance of approximately \$1.221 billion of State of Wisconsin obligations. *Certified minority-owned investment firms underwrote 13.63% of these State of Wisconsin bonds and notes, or approximately \$166 million.* The obligations issued by the Building Commission in the 2021-22 fiscal year consisted of four competitive sales and three negotiated sales.

This report (i) summarizes participation of minority-owned firms in underwriting State of Wisconsin bond and notes, and (ii) describes on-going actions taken by the Capital Finance Office to encourage participation by certified minority-owned firms.

Participation of Minority-Owned Firms. There are three reporting requirements imposed by Wisconsin Statutes on the Building Commission regarding the participation of certified minority-owned investment firms in the underwriting of State of Wisconsin bond and note issues.

	<u>Amount</u>	<u>Percentage</u>
• Section 18.16 (Public Indebtedness)		
Total Obligations Issued	\$977,610,000	
Underwritten by Minority-Owned Firms	109,362,250	11.19%
• Section 18.64 (Revenue Obligations)		
Total Obligations Issued	243,180,000	
Underwritten by Minority-Owned Firms	57,044,800	23.46%
• Section 18.77 (Operating Notes)		
Total Obligations Issued	0	
Underwritten by Minority-Owned Firms	0	0.00%
TOTALS		
Total Obligations Issued	\$1,220,790,000	
Underwritten by Minority-Owned Firms	166,407,050	13.63%

While there are no reporting requirements imposed by law on the Department of Administration regarding the participation of minority-owned firms, the following is a summary of participation during the past fiscal year for an obligation issued through the Department of Administration.

DEPARTMENT OF ADMINISTRATION TOTALS

Total Obligations Issued	\$23,960,000	
Underwritten by Minority-Owned Firms	4,792,000	20.00%

The following is a summary that combines the participation of the Building Commission and the Department of Administration.

TOTALS

Total Obligations Issued	\$1,244,750,000	
Underwritten by Minority-Owned Firms	171,199,050	13.75%

In addition, during the 2021-22 fiscal year neither the Building Commission nor the Department of Administration paid any financial advisor fees to certified minority-owned financial advisors.

Participation of Disabled Veteran-Owned Firms. As of June 30, 2022, the Department of Administration had not certified any disabled veteran-owned investment firms. The Building Commission, through the Capital Finance Office, and the Department of Administration did utilize three nationally recognized disabled veteran-owned firms on many transactions during the 2021-22 fiscal year.

On-Going Actions to Encourage Participation of Minority-Owned and Disabled Veteran-Owned Firms.

Negotiated Sales

In a negotiated sale, the State has direct control over the amount of participation by minority-owned and disabled veteran-owned firms. In addition, the Capital Finance Office is able to work with book-running managers to (i) encourage the involvement of certified minority-owned and disabled veteran-owned investment firms/underwriters, (ii) take into consideration orders placed by minority-owned and disabled veteran-owned underwriters, and (iii) use designation policies as a means of providing additional economic sharing of a transaction.

Competitive Sales

The State is not able to control the amount of participation by minority-owned and disabled veteran-owned firms in a competitive sale since the award is based solely on the lowest true interest cost rate to the State.

The State has taken certain actions to promote participation of minority-owned and disabled veteran-owned firms in the competitive sale process with the Capital Finance

Office including direct statements in its bidding documents. The following items appear in the Official Notice of Sale.

- “Award. In the event two or more bids result in the same lowest true interest cost rate, the award will be made to the one with the largest aggregate participation by certified minority investment firms and certified disabled veteran-owned investment firms....In the event two of more those bids have an equal amount of aggregate participation by certified minority investment firms and certified disabled veteran-owned investment firms, the award will be made to the bid that includes the greatest aggregate number of such firms in its selling group.....”
- “Minority Participation. It is the policy of the [Building] Commission to endeavor to ensure that at least 6% of the bonds are underwritten by minority investment firms certified by the State. The [Building] Commission urges prospective bidders to obtain from the Capital Finance Director a list of firms so certified and to include such firms as participants in the account formed to bid on the bonds and as members of any selling group formed for the account. The [Building] Commission further encourages certified minority investment firms to submit bids directly and to form accounts to bid on the bonds. Any firm that wishes to be certified by the State as a minority investment firm may contact the Wisconsin Department of Administration at 608.267.9550 or DOABDMBD@Wisconsin.gov.”
- “Disabled Veteran-Owned Business Participation. It is the policy of the [Building] Commission to make efforts to ensure that a portion of the bonds are underwritten by disabled veteran-owned investment firms, as certified by the State. Any firm that wishes to be certified by the State as a disabled veteran-owned investment firm may contact the Wisconsin Department of Administration at 608.267.9550 or DOABDMBD@Wisconsin.gov.

Dear Tondra:

Subject to Chapter 231.27 Minority Financial Interests, I hereby submit the following report outlining the Wisconsin Health and Educational Facilities Authority (WHEFA or Authority) activity involving minority business firms for fiscal year 2022 (July 1, 2021 – June 30, 2022).

WHEFA, created by the Legislature in 1973 (Chapter 231, Wisconsin Statutes), provides active capital financing assistance to Wisconsin's non-profit institutions. WHEFA operates with a staff of four. No state or other public funds are used by the Authority. The Authority's small operating budget is financed completely from user fees of the private nonprofit borrowers that issue bonds through the Authority.

State of Wisconsin Certified Minority Businesses

WHEFA prioritizes the use of certified minority businesses as new or recurring discretionary expenses occur. WHEFA's fiscal year 2022 discretionary purchases totaled approximately \$113,850. The State of Wisconsin goal of 5% expended to minority businesses equates to \$5,700 of WHEFA's discretionary purchases for fiscal year 2021. The Authority expended \$164.58, or 0.14%, of its discretionary purchases with the minority business partners certified with the State of Wisconsin listed below:

One Accord, LLC	<u>\$164.58</u>
Total	\$164.58

During fiscal year 2023, the Authority will look to purchase office supplies from Chippewa Office Solutions, and James Imaging Solutions for future printer/copier needs, both firms are minority business partners certified with the State of Wisconsin.

Participation of Women

The Authority has a staff of four. Three members of the staff are women. The Authority also retains the law firm of Quarles & Brady LLP as its general counsel, the lead partner on our account is also a woman.

18000 W. Sarah Lane, Suite 300
Brookfield, Wisconsin 53045-5841
P: 262-792-0466 • F: 262-792-0649
info@whefa.com • www.whefa.com

Other

The Authority provides interested minority firms, including minority legal firms, minority investment firms and minority financial advisers with a list of pending and active financing projects so that they can solicit their services directly with the private nonprofit borrowers (all of the fees are paid by the nonprofit borrowing institutions, not by WHEFA).

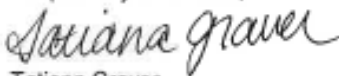

WHEFA routinely reviews the State of Wisconsin Certified Minority Businesses on-line directory for other business opportunities.

WHEFA has also recently added information and links to the Supplier Diversity Program ("SDP") to its website as well as begun to proactively inform private nonprofit borrowers of the SDP for them to consider adding such firms to their financings. All of the financing fees are paid by the private nonprofit borrowing institutions, not by WHEFA.

During WHEFA's fiscal year 2022, one non-profit borrower allocated a portion of underwriter participation of its bond sale to Loop Capital Markets LLC and utilized MWH Law Group LLP as co-underwriter counsel.

As always, if you have any questions about this report, please feel free to call us at 262-792-0466.

Respectfully Submitted,
